

Intaglio

A quick and easy way to upgrade your Supra's firmware

Phason's Intaglio is an innovative and easy-to-use product that allows you to upgrade your Supra's firmware.

Phason constantly improves and adds new features to their products. With the Intaglio, you can upgrade the firmware in your Supra as these features become available.

The Intaglio takes only seconds to use and can upgrade all the Supras at your site.

Features

- ◆ Quick and easy to use—take only seconds!
- ◆ 90-day limited warranty

Other requirements and information
